

Rinse-Free Car Wash

Prime Element Flawless Finish Rinse-Free Car Wash is a quick and easy way to wash any vehicle without water hoses or waste. The unique formulation encapsulates the dirt with a lubricating polymer preventing scratches or harm to the paint.

Directions:

1. Mix 1oz. (5 capfuls) with one gallon of water
2. Dip wash mitt in bucket and wipe one section
3. Dry section with clean high-quality microfiber towel
4. Repeat for each additional section
5. No need to rinse!

Caution:

Harmful if swallowed. Avoid Eye Contact. Keep out of reach of children.
